

Before we consider you as a candidate for learning permanent cosmetic fundamentals with us, we want to establish that you have a basic understanding of art and rudimentary artistic ability.

Please print out the following pages and complete this simple art test. Scan or take a copy of the finished images and attach it to your application.

Good luck!

Copy the following shapes in as much realistic detail as possible.

Draw the other half of the face

Copy the following different types of brows in as much detail as possible

Free draw. Draw anything you like here. It can be a simple doodle or an intricate art piece. We are looking to see what your individual artistic style is like. It's ok if you are not sure what to draw, you can copy something you think is beautiful.
